FYI- This is a heads up that the ORD sampling in Bradford County, Pennsylvania (the third round of sampling in association with the HF study) has been scheduled for May 9 through May 15. Please notify others as necessary. They have requested Dave Rectenwald of my staff to again assist with sampling efforts and will be paying for his travel expenses.

Hi Dave,

We have been given the OK to proceed with our next round of sampling in Bradford Co. However, we have been required to change the dates. We will be sampling May 9 through May 15 and take the Sunday off (May 12). I hope this still works for you because we really do need you out there. Let me know if you have any questions/concerns. My number is

Ex. 6 - Personal Privacy I will change hotel reservations.
